**** Staff expected to attend will be notified by the curriculum director and sign up through WisdomWhere (IISD)

***** Schools can elect to administer the PSAT test to 9th graders on one day, 10th graders on the other day, or test both grades on the same day. As long as all students in the

same grade are tested on the same day, schools can choose which date works best for them for both the initial test dates and the makeup test dates.

***** For schools with a PBIS leadership team, this team may complete the survey in addition to or in place of the building/school leadership team
