

Thank you for showing interest in the equations team. The proposed schedule is shown below:

Meet #	Date: 2011-2012	Location: School
1	Tuesday, November 1	Gardner M.S
2	MONDAY , November 7	Washington Woods M.S.
3	Tuesday, November 15	Pattengill M.S.
4	Tuesday, November 29	Otto M.S.
5	Tuesday, December 6	Eaton Rapids M.S.
	All Meets to be held	
	from 3:30-5:30 p.m.	
Awards Program	Monday, December 12	Hill Auditorium
	7:00-8:00 p.m.	

Practices will be held Monday, Tuesday, and Thursday of each week beginning October 17 and end the week of December 5. Practices are from 2:30-3:30.

Students are expected to be at all practices and meets unless they have notified the coach in ADVANCE of a scheduling conflict. Check your calendars now and let me know if you will have any problems making practices or a meet.

Players compete as part of a team and attendance is very important. When a player is not in attendance, the absence affects the entire team. It is possible to work with the coach and still be part of the team, but unexcused absences will be a problem for everyone.

If there is a meet scheduled, we will be going to the meet instead of having practice. There will be bus transportation to the meets as well as transportation home from most meets. Parents can expect to pick students up around 6:00 (exact time will depend upon the location of the meet) upon our return to the auditorium parking lot.

On Nov. 7 Washington Woods will be hosting our home meet. On that day, parents will need to pick up equations team members at 5:30 AT WASHINGTON WOODS. There will be no transportation back to Holt Junior High on Nov. 7. Students will also be asked to contribute \$2 to help pay for refreshments for the home meet. Parents are also needed to help with serving and set up that afternoon. Please let me know if you can help that day.
