

Annual Education Report (AER) Dimondale Elementary School

January 2023

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2021-22 educational progress for Dimondale Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Principal Shannon Barker for assistance.

The AER is available for you to review electronically by visiting the following website <https://bit.ly/3JUhsBo> or you may review a copy in the main office at your child's school.

For the 2021-22 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2018-19. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2017-18. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2016-17. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school HAS NOT BEEN GIVEN ONE OF THESE LABELS.

At Dimondale Elementary, all students were tested academically. Reading fluency, math, social-emotional skills, and attendance have emerged as areas of focus according to our student data. We are working to provide more opportunities for children to acquire the skills they are lacking in these areas. Dimondale has hired 2 full-time interventionists to support at risk students and an additional special education teacher. A variety of intervention groups are established to target the lagging skills. Intervention groups are provided daily by classroom teachers, special education teachers and interventionists, for students that show a need. The intervention groups are for Tier II and Tier III students. All children are receiving face-to-face core instruction with a focus on priority standards. The instruction includes our core math program (Go Math), supplemental math program (Imagine Math) and our core literacy program (Reading Street). The core programs are building wide (K-4). The supplemental Imagine Math is used by 3rd and 4th graders. For social-emotional skill support, our teachers have been trained to implement the Michigan Model for Health Curriculum. The Dean

of Students is conducting all social and emotional lessons from our district adopted Michigan Health Model program. Our staff, in collaboration with a comprehensive school health coordinator, have targeted Michigan Model lessons specific to strengthening their social-emotional skills. In addition, the building social worker meets with students to provide extra SEL support using 2nd STEP. The district and Dimondale staff are moving toward the Conscious Discipline model to better understand and support the variety of lagging social-emotional skills. For attendance support, all classrooms have a student data tracking and monitoring system to assist with growing the students' awareness of the importance of being at school on a consistent basis. The district attendance policy is implemented and students that are exhibiting truancy are being reported. Dimondale works consistently with its staff and building schedule to try and meet the needs of all students.

State law requires that we also report additional information.

All student are assigned to schools based on a physical address within neighborhoods. Holt Public Schools (HPS) follow that State and County guidelines for accepting and assigning indistrict and out of district school of choice students.

Our district as well as every school in our district has an active Improvement Plan with goals extending three years into the future.

Holt's Curriculum is driven by the State of Michigan curriculum standards and the National Common Core Curriculum. Access to our curriculum may be found on the district website, following the curriculum link. Additionally, curriculum maps are available in each building and widely distributed at school open houses.

We hope you take a few minutes to review this Annual Education Report and see what is happening at Dimondale Elementary School. Thank you to our entire school community for your continued support.

Sincerely,

Shannon Barker, Principal
Dimondale Elementary School

NAEP Participation Data

Grade	Subject	Participation Rate for Students with Disabilities Excluding Students with 504 Plans	Standard Error	Participation Rate for Limited English Proficient Students	Standard Error
4	Math	80.7	4.04	95.0	2.55
		83.5	3.27	94	2.37
8	Math	86.9	1.98	95.0	2.21
		89.3	2.33	95.7	1.91

The National Assessment of Educational Progress (NAEP) is periodically administered by the U.S. Department of Education based on assessments administered to samples of students in each state. Federal regulations require the display of state level NAEP data on the Annual Education Report. These data represent the performance of the most recent sample of Michigan students on the NAEP.
