## **Annual Education Report (AER) Hope Middle School School**

January 2023

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2021-22 educational progress for Hope Middle School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Interim Principal Anthony Foster for assistance.

The AER is available for you to review electronically by visiting the following website <https://bit.ly/3JSJXiA> or you may review a copy in the main office at your child's school.

For the 2021-22 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2018-19. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2017-18. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2016-17. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school HAS NOT BEEN GIVEN ONE OF THESE LABELS.

At Hope Middle School, our gap between our Top and Bottom 30% has emerged as an area of focus according to our data in English Language Arts (ELA) and Mathematics. Student assessment data drives instruction along with identifying students who need additional support in tier two or tier three. We are also looking into ensuring that our economically disadvantaged students are making adequate and significant gains. We can achieve these goals by assuring curriculum alignment and instructional fidelity through our English and Mathematics curriculum. We also offer daily intervention for students to close these gaps. We are working to provide more opportunities for children to acquire the skills they are lacking in these areas. A variety of intervention groups are being established to target lagging skills. During school, all children receive excellent instruction and intervention classes are provided for students that qualify. For students who have been identified as in need of interventions, Hope works creatively with its resources and scheduling to try to meet the needs of all learners.

State law requires that we also report additional information.

All student are assigned to schools based on a physical address within neighborhoods. Holt Public Schools (HPS) follow that State and County guidelines for accepting and assigning indistrict and out of district school of choice students.

Our district as well as every school in our district has an active Improvement Plan with goals extending three years into the future.

Holt's Curriculum is driven by the State of Michigan curriculum standards and the National Common Core Curriculum. Access to our curriculum may be found on the district website, following the curriculum link. Additionally, curriculum maps are available in each building and widely distributed at school open houses.

We hope you take a few minutes to review this Annual Education Report and see what is happening at Hope Middle School. Thank you to our entire school community for your continued support.

Sincerely,

Anthony Foster, Interim Principal
